

LEAVING FROM CAI BE TO HANOI

The fastest and most convenient way to go from 'The Durian Lodge at Mekong' in the city of 'Cai Be' to Hanoi is via Can Tho Airport, rather than going back to Saigon to catch the plane, as the road distance between Cai Be and Can Tho is shorter (72.2 km) than the road distance between Cai Be and Saigon (129 km).

The following Airlines depart from Can Tho to Hanoi Airport (also known as "Noi Bai International Airport"). There is only one airport in Hanoi.
